

Registrar's Office

February 1, 2007

Olympia Tveter
997 Bradford Street
Pomona, CA 91767

Dear Olympia,

I received your request to change the name in your Cal Poly Pomona academic records from Jared Clifford Tveter to Olympia Tveter. As stated in the University Registration Policies and Procedures, students requesting a name change must submit supporting documentation with their request.

Despite your statement in your letter of January 10, 2007 that your name has been changed to Olympia Tveter in your federal financial aid records and the records held by Sallie Mae, my investigation reveals that those records are currently in the name of Jared Clifford Tveter, consistent with the name on the social security card that you submitted as supporting documentation for the financial aid that you have been granted to date.

Cal Poly Pomona must keep the name in your academic records consistent with the name reported to the federal government on your financial aid documents, which is currently Jared Clifford Tveter. To submit a name change request to the Financial Aid Office, please provide a copy of your Social Security card that bears your new name. Should you require further assistance regarding this matter, please contact the Financial Aid Office at (909) 869-3700.

When you have changed your name to Olympia Tveter in these financial aid documents by submitting proper supporting documentation, we will be happy to make the corresponding change to your academic records.

Sincerely,

A handwritten signature in black ink, appearing to read 'Maria L. Martinez'.

Maria L. Martinez
Associate Registrar
